Lasik and PRK

Members receive substantial reductions when procedures are done by network providers.

Members can expect to pay no more than \$1,800 per eye for conventional Lasik procedures and \$2,300 per eye for custom Lasik or they can use designated TLC Vision Lasik Advantage Centers that have the following fixed prices:

• Conventional Lasik	\$895 per eye
• Custom Lasik	\$1,295 per eye
• Custom Lasik with IntraLase	\$1,895 per eye

How does the wholesale frame allowance work?

Benefits include a wholesale frame allowance. If the wholesale cost exceeds the frame allowance, members pay twice the wholesale difference. They never pay full retail.

* Retail costs may differ and are based on two to three times the wholesale cost. Actual savings may vary.

Additional plan discounts

- Members receive additional fixed copayments on lens options including: anti-reflective and scratch-resistant coatings.
- Members also receive a 20% retail discount on a second pair of eyeglasses. This discount is available for 12 months after the covered eye exam and available through the VCP network provider who sold the initial pair of eyeglasses.
- After copay, standard polycarbonate available at no charge for dependents less than 19 years old.
